

# Building a Supportive Workplace Culture for Those Affected by Domestic Violence

Thursday, May 16 at 12:00 p.m. on Zoom

Co-Presented by Child and Family Services Employee Assistance Program  
and Haven House

As part of **Mental Health Awareness Month** in May, explore strategies for supporting employees that disclose they are experiencing domestic violence.

Attendees will learn about the basics of domestic violence, recommended employer policies, workplace safety planning and how to connect a colleague with local resources.

Lindsay Acker, MCAT,  
DV High Risk Team Coordinator and  
Hotline Services Supervisor at Haven House
